

Dear JAEMS / KAEIM / CAET / TCC Members,

We are pleased to announce the call for papers for the International Journal for Educational Media and Technology (IJEMT), 15(2) to be jointly published in December 2021 by Japan Association for Educational Media Studies (JAEMS) and Korean Association for Educational Information and Media (KAEIM) and Teaching, Colleges and Community Worldwide Online Conference (TCC).

Since 2016, TCC has collaborated with JAEMS, KAEIM, and CAET to publish in the December issue of IJEMT (Volume 2), select refereed papers from the TCC conference presented in April. Beginning this year, other original papers (at least one author should be a member of JAEMS, KAEIM, CAET or TCC) are also invited to submit to the journal. For your reference, the guideline for manuscript submission is attached.

You may submit your manuscripts through our Journal Management System (<http://jaems.jp/ojs/index.php/ijemt/login>). Register as an author, and submit your manuscript. If this is your first time using Open Journal Systems, you may follow video tutorials(<https://www.youtube.com/playlist?list=PLmwux66cVmDx2h1RZ1hX1L3DdJdkTdkuQ>) that we prepared for you. Please submit the full paper by September 1, 2021.
